

INTERNATIONAL SPRING SCHOOL ON SUSTAINABLE DEVELOPMENT 2014:

Pre-Course Assignment

As part of the course preparation we would like you to complete a pre-course assignment to get you start learning and thinking about sustainability. We will use the outcomes of your pre-assignment as a basis for some of our discussions at the Spring School.

We have set up a **special Wiki page** as our main information and work space, which we will be using before as well as during the course. **You will find a detailed description of the pre-assignment on this page:**

http://vcsewiki.czp.cuni.cz/wiki/International_Spring_School_on_Sustainable_Development_2014

Please make sure you **complete all parts of the pre-assignment by Friday 28th March**. This includes:

- 1) **Your profile** – please enter information [on the Wiki](#) about:
 - yourself and what you're most keen to learn about
 - an initiative or project in your town/region/country/etc. that you like and believe contributes to the sustainable development of the area
- 2) **Pre-course survey** – please [fill in this survey](#) so that we can evaluate the course (second part of the survey will follow after the course)

If you have any questions or comments about the pre-assignment please don't hesitate to contact Dana.Kapitulcinova@czp.cuni.cz.
